

AT/Aug. Com. Process

(For flow chart purposes AT will be used to refer to AT and/or Aug Com)

At any time during the process, District AT Team may submit a request for HDESD support/mentoring.

The Casemanager is responsible for AT consideration at IEP/IFSP/504 Meeting. Discussion involving student's need for AT device or services.

Determining AT needs is a dynamic on-going process as children mature and needs change, skills improve or set backs occur.

IEP/IFSP/504 Team determines what type of services are needed by completing the SETT process.

Is needed AT tool available where student is enrolled?

YES

NO

Do you know how to use the device?

YES

NO
