

## Download and Save Bookshare Books as Word Documents

Saving Bookshare Books as Word Documents allows you to divide the book into more manageable chunks for your students. Books can be separated into chapters, units, or any customization that you choose. This also allows you to open Bookshare Books and view images in WYNN, Premier AT, and Pages.

## 8. Save the file to your desktop

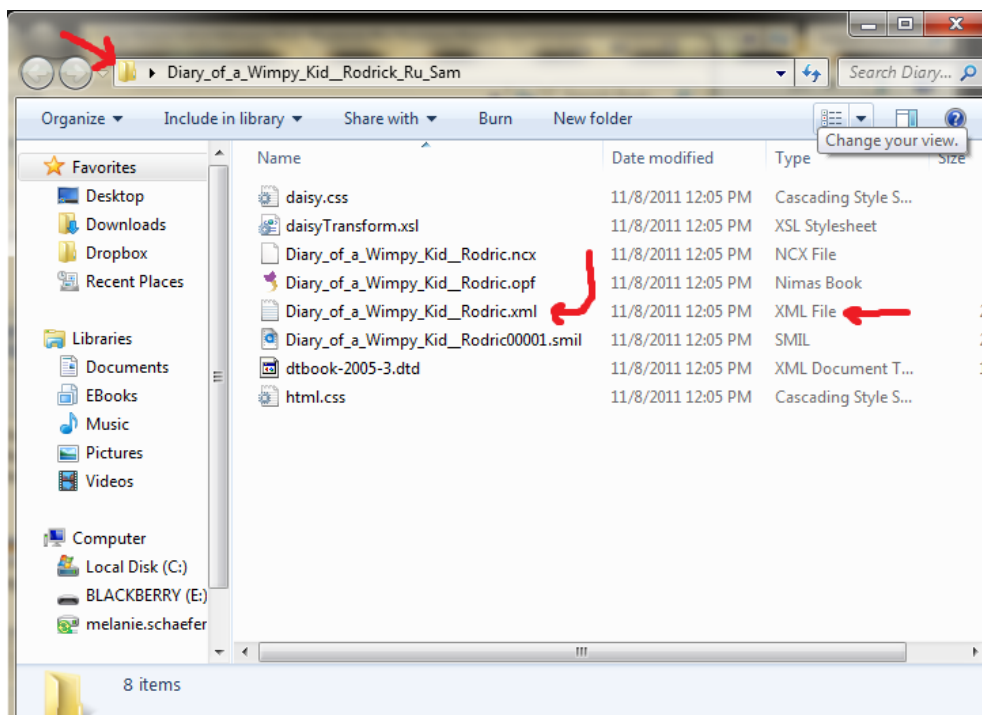

## 9. Double click on the zipped folder

10. Take note of where the folder will save, then select Extract

10. The folder is now Unzipped. You have a choice of book formats. Take note of the .xml book. This is the format that you will open.

11. Right Click on the xml book. Select Open in FIREFOX

- Choose the amount of the book to clip by highlighting... Chapter, or Unit, or whatever section makes sense
- Go to Edit>copy.
- Open Microsoft Word Blank Document, and then Paste your copied materials. Name it and save to your desktop . It will save as a Word Document.

12. You can repeat the highlighting, copying, and pasting into Word until the entire book is converted. You can open it in Premier, WYNN, or Pages.

*Note that by doing this conversion, you have lost the Daisy navigation. You will not be able to open this in Read:OutLoud.*
