

Read:OutLoud Bookshare Edition

Download and Save Books to Student Central

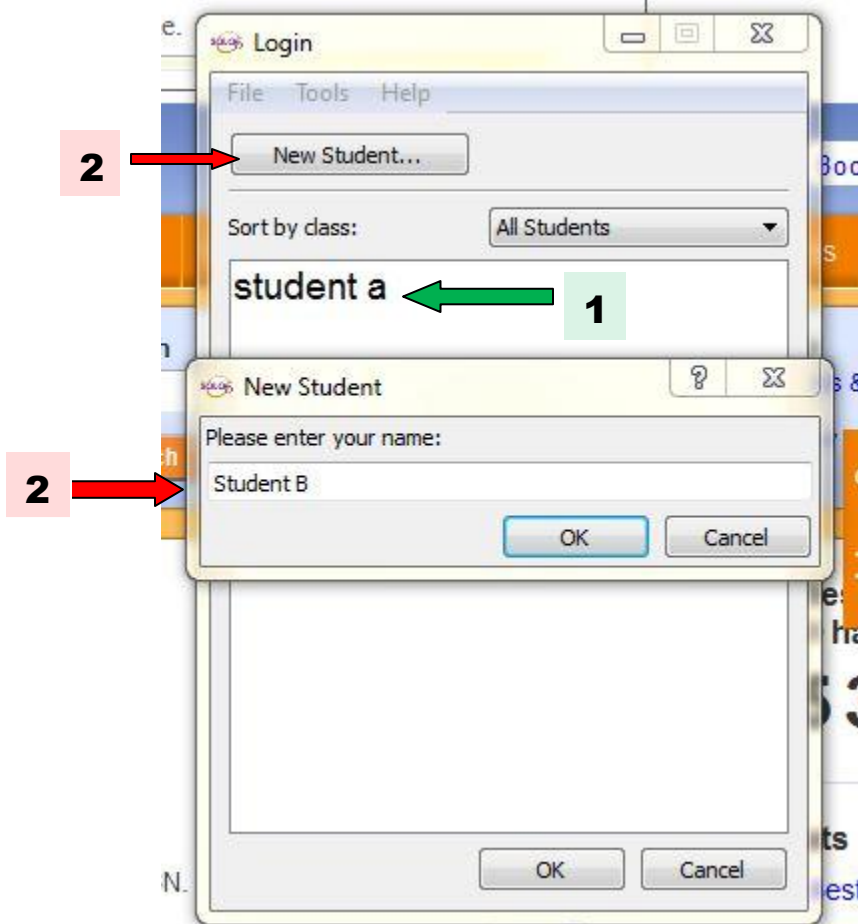

1. Open Read:OutLoud Bookshare Edition

2. Open Student Central

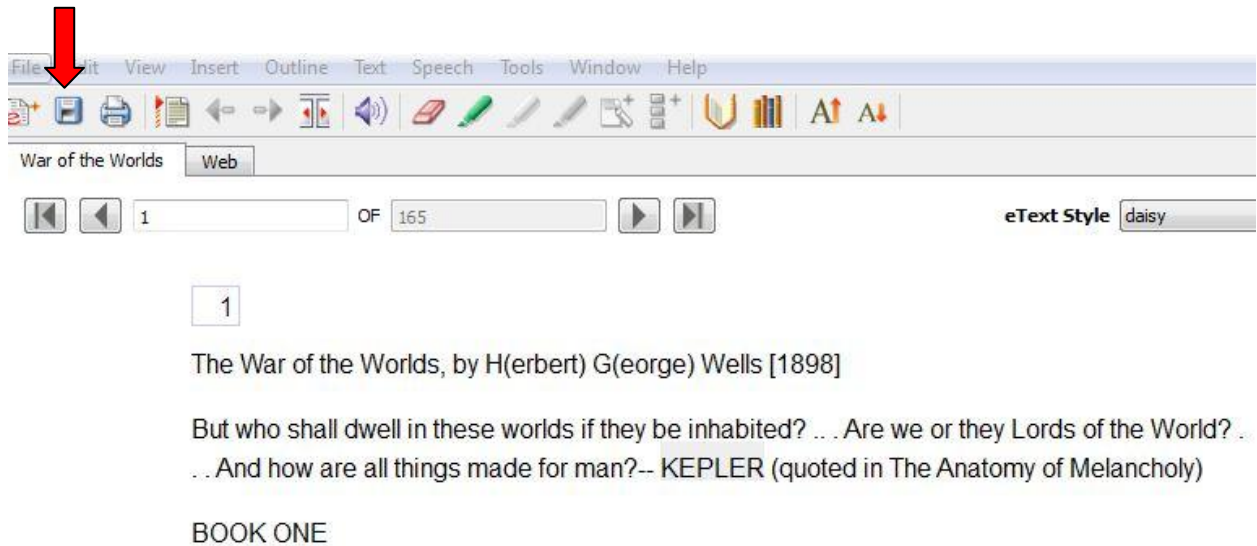

3. Select the student (1) OR add a New Student (2)

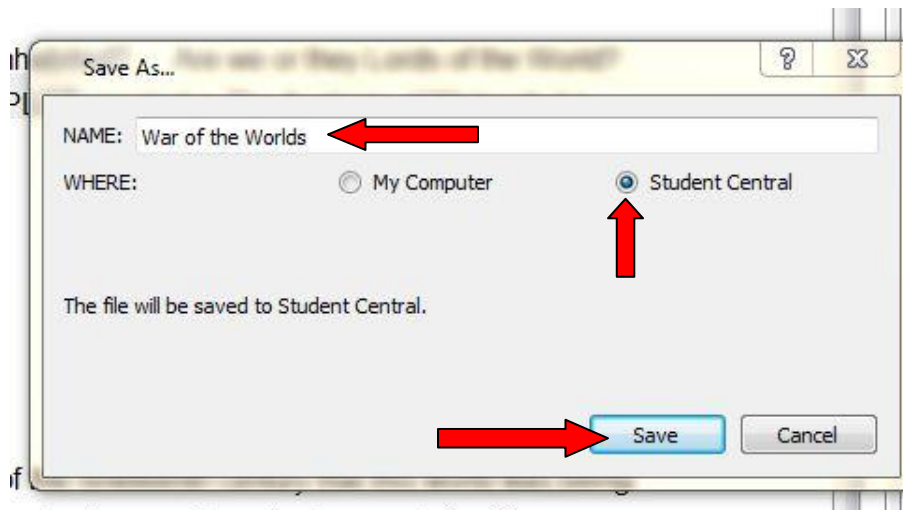

4. Now you are logged in as Student B. You can download a book directly into the Student's folder. Open the Bookshare Website by selecting Read:OutLoud. Search Bookshare for the book that you want.

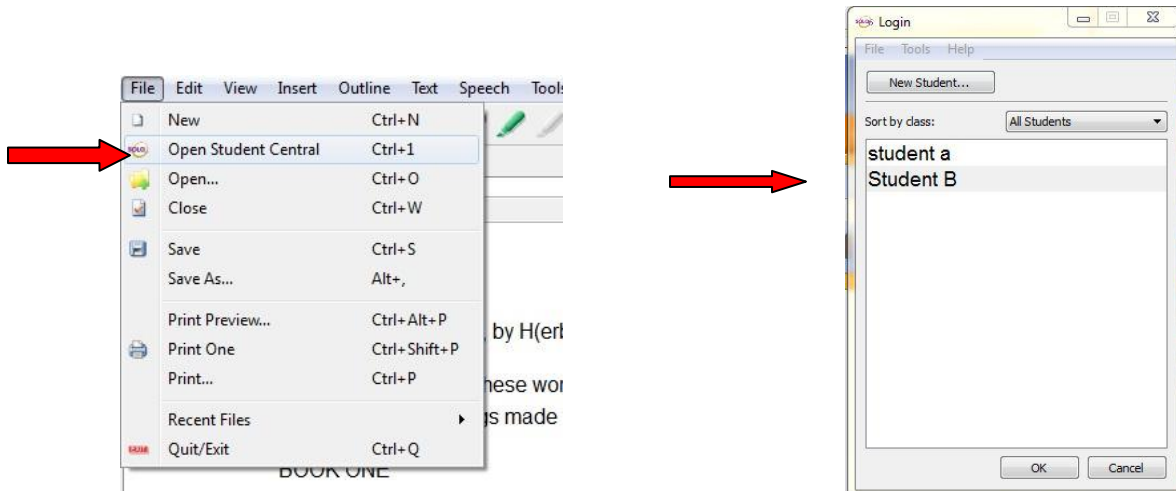

5. Select the book, download, select the student name from the Member list and download. It will automatically open in Read:OutLoud. Save the book.

6. Name the book, select Student Central and save.

7. The book is now saved for that student. Next time you open Read:OutLoud, go to File>Student Central, select the student name, and the book will be saved under the My Work Folder.

8. Click on the Book, then Read:OutLoud and the book will open.
